

## **PROPHECY OF THE NATIONWIDE EARTHQUAKE**

**"My son, I Am going to destroy your Empire. It will come with a sudden burst. Earthquakes will be everywhere. They will come from the East. I will make sure that it happens. Millions will die. The people have offended Me. I will correct them. Death and suffering will be everywhere. Buildings will collapse, killing millions. Others will be crushed to death, swallowed up by cracks in the Earth. The Nationwide Earthquake will kill My people. Millions will die because they refuse to obey Me, My son. I Am incensed at My people. They have refused to obey Me for years, yea, even decades. They refuse to obey Me, preferring their own lives. I will take it from them. I will correct their wickedness. I Am the Living God. Fear Me! I control all, even your lives of sin and disobedience. Millions will die. I will correct their disobedience. I Am the Living God. They will fear My fury and anger. I Am full of wrath against them. I Am the Living God. Fear Me! Millions of My people will die and sinners galore. The nation will never be the same again. I have spoken. Amen and amen."**

## **PROPHECY-- The Punishment Of My Damnable People**

**"Tell My people I Am against them, My son. All they think about is themselves, not Me. They are full of selfish ambitions of gain, not in doing My will, My son. They refuse to obey Me. They will be destroyed. They are full of selfishness. Their ambitions never cease. They will never obey Me. They refuse to go out and preach My Gospel. I will destroy each and every one of My people, My son. They refuse to obey. They will not obey Me. I called many times, but each to their own ambitions of selfishness and greed, worldliness galore. They will not obey Me. They love the world. They will not give it up to serve Me, to follow Me around the world, to lost sinners galore. They will not obey Me. I will punish them eternally. Each and every one of them will go to Hell. They are worthy of eternal punishment, goats they are. Very few serve Me, including you. They will be preserved forever, My son. The rest will be damned, goats they are. Into eternal fire they go, the whole lot of them. They will not obey Me, nor preach My Gospel. Many I have called to the mission fields galore, but they refuse to obey. I had great things for them, the salvation of multitudes, but they refuse to obey Me, damned that they are. They will never repent, proud people. I called, but they refuse to go. They are damned forever, wicked people. Punish My people in eternal fire, My son. They will not go to the mission fields around the world. They are damned forever, disobedient goats they are. Goat Christians will not make it to My Heaven. They are damned forever. Make it so. Your LORD has spoken. Amen and amen forever, My son. Amen."**

## **The Prophetic Judgment Of My People Australia**

**"Speak to My people Australia, My son. I have great things for them if they would only obey. Yet wicked people resist Me at every turn. My son, what shall I do? Call My people to repent. I have called them to the Mission Fields. Maybe they will obey. Hear them calling for Me, for saviors. When will they repent? They love the world. I must punish them. War will consume their land. They will not obey. They love the world more than Me, wicked people of sin and depravity. When will they obey? I had great things for My people Australia if only they would repent. But they won't. They refuse. Into Hell My people shall go wicked Australia. Into Hell they shall go eternally. They will not repent, nor serve Me, wicked people of sin and depravity. Obey. Your LORD has spoken. Amen and amen wicked people of sin."**

## **PROPHECY- “Destroy My Empire, My Son- Your LORD Has Spoken”**

**“The Evil Empire must be destroyed, My son. I make it so. Nothing will be left when I Am finished with it. The Living God is against it- nothing will be left but dust and ashes, the charred remains of a once great civilization. They are against Me; they have turned against Me long ago; they reject My Spirit; they quench Me at every turn. They must be destroyed. The kingdom of the Antichrist spirit will come down hard- nothing will be left. I make it so. Millions will die from man-made diseases, yea, even hundreds of millions. All have forsaken Me. Few are left who still serve Me. Nuclear bombs will fall everywhere- flee for your life! Nothing will be left but dust and ashes, and bones scattered everywhere- the remains of a once-mighty civilization. I make it so. Amen and amen. Your LORD has spoken.”**

## **PROPHECY— The Prophetic Judgment Of New Jersey**

**“I will destroy, My son. The sin of the wicked people of New Jersey and surrounding states has come before Me, My son. I will destroy, even sudden destruction on the hands of the evildoers, even the wicked who work iniquity against Me, says the Living God. New Jersey shall be no more, forever obliterated by My Hand. Nuclear bombs are ready, even embedded in the cities, for I have placed them there by the hands of My people, and they are ready to go off by My command, says the Living God. New Jersey shall be no more, and the wicked obliterated by My Hand says the Living God. Beware, for I Am A God of Retribution, punishing sinners everywhere, reducing them to nothing, and placing them in Hell forever. Fear Me! Thus says the Living God. Amen and amen.”**

## **PROPHECY-- The Prophetic Judgment Of Sid Roth**

**"Speak unto My servant, My son. Why does he disobey Me, My son? I told him in My Word not to sell My Word, yet he does it constantly on his show and elsewhere. Why does he disobey Me? Materials must be given away freely, yet he does this constantly. He must be punished, My son, for he refuses to obey Me, yet sins constantly on his show. Tell him his life will end very shortly and stand before Me to account for his wicked deeds. The supernatural does not work in his own life, yet he uses it to earn a good income. That I will punish, for charlatans have no place before Me, but in Hell.**

**Tell him his life will end quickly for disobeying Me, for he refuses to repent. Your LORD has spoken. Amen."**

**"He is a charlatan."**

**"He has nothing to offer My people."**

**"I will punish him forever."**

**"Thus says the Living God."**

**"Amen and amen forever!"**

## **PROPHECY— The Punishment Of My Canada**

**“I rule, My son, and the wicked sinners are Mine! I will punish all the wicked of the Dominion of Canada, for they have forsaken Me long ago, going after the ways of the world and Satan, which is his dominion. Why don’t My people obey Me, My son? They want revival, My son, but they will have none, for they have forsaken Me going the ways of the world, My son. I must punish, for wicked sinners and My people are one of the same in the Dominion of Canada, indistinguishable in My sight, even sudden destruction, for there are nuclear bombs embedded everywhere. Few serve Me in the Land of the North, for they are My chosen ones, chosen long ago to serve Me in a land of lawlessness and deep sin. Those I will preserve. The rest are damned in the “Christian” land of Canada. Thus says the LORD.”**

## **PROPHECY-- Depend On Me When All Else Fails,** **Says God**

The economic collapse is for your benefit. Did I not say Depend not on money, for it will fail you in the end. I Am your Source, says God. Depend on Me, and not on the system of man, which will fail you. Satan is having havoc with the system right now, for it is his-- I gave it to him. Unrighteous mammon is his, and is filled with satanic activity of all kinds-- Demons galore infest it. Wicked sinners cannot function without it, for it is theirs-- they belong to Satan. I Am collapsing the system, and soon it will be all gone. Money will lie in the streets of the world in piles, for it will have no value then. What will you do then when unrighteous mammon has no value? Depend on Me, says God, for I will never fail you. Depend on Me, and you will be safe for eternity, says God. World systems that you depended on may vanish, but I will never fail you says the Living God. What will you do when all else fails? Depend on Me, your prayers will not go unanswered to My Elect, says the Living God. I have much for you if you would only obey Me, says God Almighty. The world may pass away, but I will never fail. My words are true, never failing for all eternity. Depend on Me. Your LORD has spoken. Amen My people.

## **The Prophetic Judgment Of My Servant Jim Bakker**

**“Speak unto My servant Jim Bakker. Why do you persist in your wicked ways? Your religious hucksterism has not gone unnoticed by Me, the Living God. Why do you persist in selling to My people? Can’t they go to the store to get what they need? And yet you go on, selling all kinds of merchandise. Is this what I called you to do? Your covetousness will surely be judged, for I called you to build My Kingdom, not your own. And still, you go on building an empire that is not of Me. That will be destroyed by My Hand, and everything that you have built will be obliterated by the force of My wrath, says God. Everything built on covetousness and greed will surely be destroyed by My wrathful Hand! Did you learn nothing in prison? Did you not read in My Word, ‘Thou shalt not covet’? And yet you still go on, full of a heart of greed and selfishness covetousness.**

**Give it all away, so that you may delay My wrath from being poured out on your life and ministry. Sell all you own and get out of the ministry, so that you can do it My way, following Me, your LORD in all ways on the streets of America, says the LORD. Do it My way, and get out of your ministry, delaying My wrath on your life. Thus says the LORD. Amen.”**

## **The Prophetic Judgment Of Calvary Christian Center**

**“My son, speak unto My Church. Why do they quench Me, the Holy Ghost? I had a revival going, and they misused Me for fame. I do not approve of You Tube videos; in fact, I detest them. Everything is done for self, for fame and numbers. They misuse Me. I Am the Holy Spirit. I call them to repent, especially the pastor and his apostle. They misuse Me for fame and money. That is why it did not spread. They quenched Me, My son. That will be judged. The Church will be destroyed by My Hand, and all its members scattered to the four winds. I cannot stand this church. They misuse Me for fame and money. Members they want, but they won’t get any. My Hand is against them. They refuse to help My poor, but send them to the street. They refuse to help Me, the True Prophets. My Hand is against them, and I will destroy them to the four corners of the Earth because they have misused Me, the Holy Spirit, and I Am incensed. Thus says the LORD. Amen and amen.”**

## **PROPHECY-- The Punishment Of Lying College Professors**

**"I will kill all teachers of iniquity, says the LORD. I will stop them from teaching feminism, and all other evil things, corrupting the women of the land. All teachers of biology who teach wicked evolution will be rounded up and executed. No longer will they destroy faith in their students with their reckless lies and half-truths. I will put a stop to all teachers of iniquity in the land, from women's studies programs to all biology departments who destroy the faith of My students- all will be rounded up and executed in all colleges and universities everywhere in the Earth where falsehoods are taught. I Am A God of Wrath, punishing sinners everywhere, especially those who know what they are doing is wrong with a heart full of guilt testifying against them. Those I will punish with eternal judgment, workers of iniquity who work against Me. I have spoken, the Living God. Amen and amen."**
